

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future — moving us to a world that's safer, more sustainable, and exciting.

ROGUE®

2023

<sup>1</sup>Available feature. <sup>2</sup>Information displayed is dependent on how vehicle is equipped. Do not use for extended periods of time. See Owner's Manual for important safety information. <sup>3</sup>Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>4</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>5</sup>Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. <sup>6</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>7</sup>2023 Fuel Consumption Estimates L/100 km (MPG) — 9.0 (31) City / 7.1 (40) Highway / 8.1 (35) Combined S FWD, 9.2 (31) City / 7.2 (39) Highway / 8.3 (34) Combined S AWD, 8.4 (34) City / 6.7 (42) Highway / 7.6 (37) Combined SV AWD, 8.4 (34) City / 6.8 (42) Highway / 7.7 (37) Combined SL, Platinum AWD. Actual mileage may vary with driving conditions. Use for comparison only. <sup>8</sup>Leather appointments. <sup>9</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. <sup>10</sup>Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. <sup>11</sup>VC-Turbo® engine horsepower and torque ratings: 201 HP and 225 lb.-ft. of torque ratings. DIG® engine horsepower and torque ratings: 181 HP and 181 lb.-ft. of torque ratings. Horsepower and torque figures based on premium fuel only. <sup>12</sup>Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** <sup>13</sup>Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>14</sup>ProPILOT Assist and ProPILOT Assist with Navi-link can't prevent collisions. Driver at all times responsible to maintain safety by monitoring traffic, controlling vehicle, and if needed steer, brake, or accelerate. System works only when lane markings detected and does not function in all weather, traffic, and road conditions. See Owner's Manual for safety information. <sup>15</sup>Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. <sup>16</sup>Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>17</sup>Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>18</sup>Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. <sup>19</sup>Blind Spot Warning and Intelligent Blind Spot Intervention cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. <sup>20</sup>Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are detectable. See Owner's Manual for safety information. <sup>21</sup>Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. <sup>22</sup>Virtual composite 360° view. <sup>23</sup>Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. <sup>24</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>25</sup>Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. <sup>26</sup>AWD trims only. <sup>27</sup>Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. (45 kg). <sup>28</sup>Extra cost option. <sup>29</sup>Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. <sup>30</sup>Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. <sup>31</sup>Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. <sup>32</sup>Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. <sup>33</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. <sup>34</sup>XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at [siriusxm.ca/terms](http://siriusxm.ca/terms). All fees and programming subject to change. ©2022 Sirius XM Canada Inc. The Sirius® XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. <sup>35</sup>Available feature shown. Compatible device and service required. Cloud-based service provided by Amazon Alexa Automotive services. Subject to third party service availability. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. <sup>36</sup>Whichever occurs first. <sup>37</sup>Only use a seat cover approved by the manufacturer of your child car seat — review child car seat manufacturer's owner's manual for seat cover information. <sup>38</sup>Accessories are not genuine Nissan parts/accessories. Not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan limited warranty does not cover damages or failures to the vehicles caused by improper installation or alterations of any Nissan approved accessory or component. Contact your dealer for details. <sup>39</sup>Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>40</sup>RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. <sup>41</sup>Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. <sup>42</sup>Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. <sup>43</sup>Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc, and any use of such marks by Nissan is under licence. <sup>44</sup>Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. <sup>45</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. Apple CarPlay®, Apple Music®, and Siri® are registered trademarks of Apple, Inc. A spirit and refinement  
that crosses over into  
every aspect of your life

Whether it's exploring the city's secret spots or driving to the mountains on a whim, the 2023 Rogue® is up for whatever thrills you. Tap into your surroundings with nearly one metre of digital displays.<sup>1,2,3,4</sup> Indulge yourself in premium comfort. Manoeuvre through unexpected situations with driver assistance technologies.<sup>5</sup> This is the crossover that excites. This is the 2023 Nissan Rogue.

### Three genius displays. So many pixels at play

Start with the large Head-Up Display<sup>12</sup> in the upper-left corner, and then drop your gaze to the digital dashboard — 312 mm (12.3") of vibrant data right behind the steering wheel.<sup>13</sup> The third 229 mm (9") touch-screen display sits just to the right.<sup>14</sup> Together, they offer nearly one metre of digital data, allowing you to configure the Rogue® to what you need in the moment. Notice how each display is positioned to give you the information you want? This is customization — pixel by pixel.

**What do you want to see?** With the customizable digital dashboard, you can choose the information that's most important to you.<sup>13</sup> Easily toggle between full-colour maps, music, and fuel economy with a push of a button.<sup>67</sup> Or move the gauges to the side and put what's important front and centre. When you can quickly assess the situation, you can stay more focused on your drive — and your next adventure.

## Room for five, including even the biggest personalities

Pick your seat and relax. Building a crossover from the ground up is about more than premium amenities. It's about designing an experience, where family and friends feel welcome and any-size personality fits in. So enjoy the soft semi-aniline leather appointments,<sup>1</sup> the rear USB ports,<sup>1,9</sup> and the universal pleasure of Tri-Zone Automatic Temperature Control.<sup>1</sup> Revel in the Remote Engine Start System that takes comfort to new heights with the ability to heat or cool the cabin from up to 60 metres away.<sup>1,10</sup> And indulge everyone with the breathtaking view from the Dual Panel Panoramic Moonroof.<sup>1</sup>

• Tri-Zone Automatic Temperature Control<sup>1</sup>

• Heated Front and Rear Seats<sup>1</sup>

• Butterfly Centre Console

• Quilted Semi-aniline Leather-appointed Seats<sup>1</sup>

**BOSE**

You heard it here first. Bose, a leader in high-fidelity sound systems and a long-time Nissan partner, designed a highly customized listening experience for the Nissan Rogue.<sup>®</sup> Based on proprietary design and the acoustical analysis of the cabin, Bose brings the power of sound to every seat.<sup>1</sup>

Nissan Rogue<sup>®</sup> Platinum AWD shown in Charcoal Semi-aniline Leather.<sup>®</sup> U.S. instrumentation shown.

Power or efficiency? Yes

6.7

L/100 km Hwy  
(42 MPG)<sup>17</sup>

201

Horsepower<sup>111</sup>

225

lb.-ft. of Torque<sup>111</sup>

Go Rogue® with the kind of numbers designed to exhilarate your soul and satisfy your conscience. It starts with a revolutionary Variable Compression Turbo (VC-Turbo®) engine<sup>1</sup> that can deliver low-compression, turbocharged power and then transform to provide high-compression efficiency.<sup>7</sup> All of which means you get the best of both worlds in one engine. Thrilling power. Long-distance efficiency.<sup>7</sup> No compromise.

### Smartphone, genius connectivity

**Wireless Apple CarPlay® integration** People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® brings your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Rogue. No need to plug in. Your world is now freed from wires.<sup>1,6,9,12,13</sup>

**Wireless charging** Power your phone on the go. Place your Qi®-compatible smartphone on the wireless charging pad located in front of the shifter, and Rogue does the rest. Your old cord is now officially obsolete.<sup>19</sup>

U.S. instrumentation shown.

### ProPILOT® Assist with Navi-link<sup>1</sup>

You may not know what's ahead, but with ProPILOT Assist with Navi-link, Rogue is on it.<sup>1,5,14</sup>

ProPILOT Assist helps you navigate stop-and-go freeway traffic while helping to keep you centred in your lane.<sup>1,5,14</sup> Opt for ProPILOT Assist with Navi-link, and the concept of hassle-free driving rises to a new level.<sup>1,5,14</sup>

By utilizing freeway mapping, ProPILOT Assist with Navi-link is able to better predict the freeway ahead and provide a more intuitive, enjoyable ride.<sup>1,5,14</sup>

- Helps smooth the way for upcoming turns, junctions, and off-ramps by adjusting your speed<sup>1,5,14</sup>
- Can track posted speed limits with the ability to alter your set speed accordingly<sup>1,5,14</sup>

### Standard Nissan Safety Shield® 360

Imagine feeling confident in almost any situation. With a suite of standard Safety Shield 360 technologies, Rogue® can look out for you all around. This is peace of mind you can enjoy, mile after mile.<sup>5,15</sup>

INTELLIGENT EMERGENCY BRAKING WITH PEDESTRIAN DETECTION<sup>16</sup>

REAR AUTOMATIC BRAKING<sup>17</sup>

REAR CROSS TRAFFIC ALERT<sup>18</sup>

BLIND SPOT WARNING<sup>19</sup>

LANE DEPARTURE WARNING<sup>20</sup>

HIGH BEAM ASSIST

**Intelligent Around View® Monitor** Win at parking. It may seem unfair to have a bird's-eye view to help guide you into your spot. But believe us, it's a definite advantage. Four cameras give you a virtual composite 360° view from above, helping you see what's around your crossover in a whole new way. Select from split-screen close-ups of the front, rear, and curbside views to help you smoothly manoeuvre into a parking space.<sup>1,21,22</sup>

**Traffic Sign Recognition** Stay on top of speed limits. Traffic Sign Recognition keeps you up to date with the latest speed limit by detecting road signs as you go by.<sup>1,23</sup>

### Driver assist features

#### SAFETY AND DRIVER ASSIST FEATURES

**Intelligent Blind Spot Intervention** If a warning isn't enough, and Rogue determines that you're attempting to change lanes when there is a vehicle detected, it can gently apply the brakes to help move you back to the safety of your lane.<sup>1,19</sup>

**Intelligent Lane Intervention** Stay between the lines. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.<sup>1,20</sup>

### Technology that looks out for others

**Intelligent Emergency Braking with Pedestrian Detection** Monitors your speed and distance between you and the car ahead and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian or cyclist in the crosswalk, it can stop you in your tracks.<sup>16</sup>

### Technology that watches your back

**Rear Automatic Braking** Trash pickup days can be an obstacle course. Not to worry. Rogue also watches out behind you for large stationary items you might not see. If it detects an item and you fail to stop, it can automatically engage the brakes.<sup>17</sup>

**Rear Cross Traffic Alert** Fear no parking lot. When you're backing out of a space, Rear Cross Traffic Alert watches behind your Rogue and can warn you about cars it detects creeping up on you from either side.<sup>18</sup>

## Family mode made easier

Amplify the parenting experience with kid-centred functionality.

**Rear doors open almost 90°.** Every extra degree of room makes it that much easier for you to secure the wiggliest of babies in a car seat.

**Lower rear door sills** are adjusted inward so you can stand closer to the interior and easily reach inside.

**Dedicated lower anchors** in the rear seat allow you to put a child seat in any seating position, including the middle, with no locking clip needed.

## Unexpected cargo flexibility

The best experiences are always unplanned and memorable. Kick your foot under the rear bumper and the Motion Activated Liftgate<sup>1</sup> opens to reveal a generous cargo area. How you configure the interior is just as memorable. With the Divide-N-Hide<sup>®</sup> cargo system, a set of adjustable dividers gives you six different configurations.<sup>1</sup> You can construct everything from a private storage area to a series of layered shelves. So get in there and mix it up.<sup>24</sup>

Want even more space? It's as easy as pulling a lever in the cargo area and watching the rear seats fold down to take in every experience.<sup>1,24</sup>

Standard tonneau cover not shown.

**Under-shifter Storage** Find innovative design in a place you'd least expect – but most appreciate – like an open space under the electronic shifter that keeps go-to items from rolling around.

**Butterfly Armrest** Open the centre console from the sides instead of the top. Easily pass tissues, toys, and even hidden treasures to your rear passengers.

## Dial up the adventure

Meet Nissan's most capable Rogue® yet. The Intelligent All-Wheel Drive with Terrain Selector and direct coupling reacts quicker than ever to help enhance stability and traction.<sup>1,25</sup> Every day presents a different opportunity, so turn the dial and head out. Your instincts will lead the way.

**Off-Road Mode** From gravel to sand to dirt, Off-Road Mode is uniquely tuned to help you get up to speed. By balancing the transmission and throttle response, the Rogue tailors your all-terrain experience for maximum confidence.<sup>26</sup>

**Snow Mode** If one of your favourite routes has fresh powder, Snow Mode is engineered to help you still make fresh tracks. It knows to back off on the throttle and shift to a higher gear ratio, helping you stay in control.<sup>26</sup>

**Auto Mode** The choice for everyday driving — Auto Mode automatically adjusts for balanced performance. As the default mode, you don't have to do anything to activate it. Just push the Start/Stop button and go for a more comfortable drive.

**Eco Mode** Like its name implies, Eco Mode is engineered to help boost fuel economy. When selected, engine and Xtronic CVT® (Continuously Variable Transmission) controls change to help you drive as efficiently as possible.<sup>7</sup>

**Sport Mode** The fun starts here, especially if you're about to take on a series of curves. Dial up Sport Mode and Rogue responds with a tighter steering feel and a sharper throttle response. You respond with growing confidence and huge grins as you enter every twist and turn.

Nissan Rogue® Platinum AWD shown in Two-tone Pearl White TriCoat / Super Black with standard Splash Guards (4-piece set), accessory Rear Underbody Trim,<sup>1</sup> Roof Rail Crossbars,<sup>1,27</sup> and bike rack.<sup>1,24</sup> See dealer for available options.

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. Please visit our website [Nissan.ca/finance](https://www.nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2023 Nissan is covered by a 3 year/60,000 km<sup>36</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>36</sup> Powertrain Warranty, an 8 year/130,000 km<sup>36</sup> Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions, and exclusions apply. See your Warranty Information Booklet for complete details.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus® Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

GENUINE NISSAN ACCESSORIES

# Turn brand-new into all you

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan's 3-year/60,000-km (whichever occurs first) limited warranty (if installed by dealer at the time of new vehicle purchase) and can be financed when installed by dealer at time of new vehicle purchase. Terms, conditions, and exclusions apply. See your Warranty Information Booklet for complete details.

Vehicle Security System	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF,<sup>®</sup> we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
